

Daryl's House Club Porch Shows (Outside in back)

Here is the schedule for your porch show.

2:30am - 3:00pm Load in → Sound Check

3:00pm - 5:00pm - Showtime with a 10-15min break in middle.

We will serve you a meal and 1 drink per band member after 5pm

Please park in the main lot and come in thru front door

NO DRUMS at all for our porch shows, Only Solo artists or Duos.

Please email me what your instrument setup is.

We have a full PA & Monitor system with monitors/mics, so you do not need to bring any monitor amps.

We have guitar & keyboard stands you can use.

I will put 1 vocal mic and 1 instrument mic /DI per player.

We do not video record the shows and we **do not** allow bands to video record or stream their show as bands are here to entertain our porch patrons and always maintain a professional look. Photos are ok as long as it is not intrusive.

We welcome you to sell your merch during your show, we have a table in front of you for you to put it on.

All the Best, ~ Peter Moshay
